MAKING SURE YOUR LOVED ONE IS IN GOOD HANDS

Live-In Care (24/7) — Caring Connectors

At Caring Connectors, your loved one's health, safety, and comfort come first. Our live-in care delivers round-the-clock support with one dedicated caregiver on site, easing the load on families while keeping care consistent and compassionate.

Live-In at a Glance

- One consistent caregiver on site 24/7
- Hands-on assistance: ADLs, mobility/transfers, medication reminders, meal prep, light housekeeping, companionship
- Short-term or long-term options (vacations, post-hospital recovery, or ongoing care)

Scheduling Options (Choose what fits best)

1. 5/2 Split: Two consistent caregivers; one covers 5 days, the other covers 2 days
2. 3-Weeks / 1-Week Rotation: Two consistent caregivers rotating 3 weeks on / 1 week on
3. Single Primary: One primary caregiver assigned; 3–4 weeks personal leave every ~6 months

Home Setup Requirements

- A private bedroom with a bed for the caregiver
- Caregiver brings their own food, toiletries, and personal items
- Clear household guidelines (kitchen/laundry access, guest policy, pet notes, etc.) established up front
- *Private bathroom preferred but not required
